

Music with Miss Belle is a fun filled and exciting educational music program for preschool age children. The program is built around the preschool curriculum and is based on world recognised Kodaly and Orff educational methods. It is a hands on music making experience designed to develop children's confidence, motor skills, vocalisation and speech, emotional expression and social skills whilst instilling a love of music and developing knowledge of the basics of music.

The program is run by Isabel, a Music Education student at the Sydney Conservatorium of Music. She is a multi instrumentalist with years of musical experience in vocals, guitar, piano and flute. She is trained in early childhood music education and Kodaly methodology programs. Isabel is a passionate advocate for music education for preschoolers.

The program is run in small groups at Hills Shire Music
