

# The Hills Shire Music School

## OPEN DAY JANUARY, 2021

When: Saturday 16th January, 2021

Where: The Hills Shire Music School. 26/22 Hudson Ave, Castle Hill

Time: 10.00am - 4.00pm

Next door to the Hills Supa Centre, Castle Hill

Hills Shire Music are having our Open Day on Saturday, January 16th, 2021 from 10.00am to 4.00pm. We will have our teachers and staff here to give you advice so you can try an instrument before you decide about music tuition for 2021. This is a great way to meet us and our teachers and to see what our school is about and what we offer with Private, Shared and Group lessons. The day is free and you can book in a total of up to 2 x free 20 min private trial lessons on different instruments that you are considering learning. You will need to book in advance as there are limited places available. There is a 10 min break between lessons to allow time to move between rooms and have valuable time to speak to teachers and directors. Only one parent/guardian is allowed to accompany the student in the studio waiting area. After the lesson the teacher will speak with you. There will be an additional waiting area for other family members outside the studio. We will also have hand sanitiser and face masks available, be doing temperature checks where necessary and practising safe distancing to ensure our school is Covid safe according to NSW Health regulations. For this reason clarinet and flute will not be available on the day. If you would like to book a trial for any of these instruments you can do so at the beginning of term 1, 2021 and we will honour the FREE trial lessons for you. Please note that places are very limited any time of year and not guaranteed.

Please confirm your attendance by filling in this form. Email it back as soon as possible to make your booking for the free trial lessons. If you attend on the day without sending the form in advance there is no guarantee of lessons as places will most likely be full.

Student's name: ..... Age: .....

Parent's names: .....

Phone number: (Mob) ..... Email: .....

Instruments: 1. .... 2. ....
